EDUCATION *with* INTENTION

In Islam, seeking knowledge is a noble act of worship – when done with the right intention. The very first revelation to the Prophet ﷺ was:

اقْرَأْ بِاسْمِ رَبِّكَ الَّذِي خَلَقَ
 "Read in the name of your Lord who created."
 (Surah Al-'Alaq, 96:1)

This divine command highlights the importance of learning, beginning with a sincere connection to the Creator.

The Prophet ﷺ said:

إِنَّمَا الْأَعْمَالُ بِالنِّيَّاتِ، وَإِنَّمَا لِكُلِّ امْرِئٍ مَا نَوَى
 "Actions are judged by intentions, and everyone will be rewarded according to what they intended."
 (Bukhari & Muslim)

When knowledge is sought sincerely – to please Allah, benefit oneself, or help others – it becomes a source of reward.

The Prophet ﷺ also said:

مَنْ سَلَكَ طَرِيقًا يَلْتَمِسُ فِيهِ عِلْمًا، سَهَّلَ اللَّهُ لَهُ طَرِيقًا إِلَى الْجَنَّةِ
 "Whoever follows a path in search of knowledge, Allah will make a path to Paradise easy for them."
 (Sahih Muslim)

Learning is a lifelong obligation and a spiritual journey. May Allah grant us beneficial knowledge and pure intentions.

اللهم علمنا ما ينفعنا وانفعنا بما علمتنا وزدنا علماً

poem OF THE MONTH

In His Name

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ
 أَقْرَأُ بِاسْمِ رَبِّكَ الَّذِي خَلَقَ

“Read in the name of your Lord who created”
 Only the Kuffar on His message they hated

The Deen that we're gifted with, but not the Dunya that deludes
 Wasting their sacred time and that's how their life concludes

Alone in the cave where the silence was deep
 The Dhikr and Ibadah that he did would keep

Keep him feeling safer and safer in the hands of Allah
 And now we connect to SWT five times a day with Salah

The first word sent on the message was to “Read”
 And now by reading we stack up our deeds

The Quran, the Hadith, and the treasures of knowledge
 Every chance we get to learn for the sake of Allah we should
 acknowledge

So be grateful that we have the blessing of learning
 Which will lead us in the future to start earning

Not only money but most importantly Allah's love
 The most valued wealth that we truly believe

As the school year now starts up again
 Renew your intention even that your writing with the pen

That Allah swore to us by in Surat Al-Qalam
 It helped Prophet Ibraheem be able to build Masjid Al-Haram

Now WE need to read in the name of our Lord who created
 And say Alhamdulillah that were able to accomplish the things we
 once awaited
